Recommended

Simple molecular model kit - can be bought at KF-Sigma.

Course requirements

Passed written exam.

Passed lab course.

Your presence in the lab course is mandatory. If you are sick please send an email to anna.lidskog@chem.lu.se or aleksandra.ilic@chem.lu.se

Final date for handing in the first three lab reports and thus to be allowed to continue to do laborations is February 5.

Final date for handing in all lab reports is Tuesday March 9, 2021. All lab reports must be passed at the latest March 16, 2021.

Handed in course evaluation to the one in charge of the course no later than Monday, March 22, 2021 to pass the course (blank or filled out). Send your evaluation in an envelope to "Information desk, Kemiska Institutionen, Lunds Universitet, Box 124, 22100 Lund" or put it in her mail box at Studentadministrationen. Enclose a separate paper with your name in the envelope so that we know that you have answered. Your anonymity will be guaranteed.
