

# HOW DO I FILL OUT THIS?

**IF YOU ARE UNSURE - WAIT FOR THE GUARD!**

LUNDS UNIVERSITET

## Tentamen Written Examination

Detta omslag ska fyllas i med bläck även du inte besvarar någon tentamensfråga.  
*This cover must be completed with ink and handed in even if you do not answer any question.*

Jag har läst och förstått instruktionerna på baksidan av detta omslag  
*I have read and understood the instructions on the back of this cover* **Confirm by checking the box.**

Har du mobiltelefon eller liknande med dig hit? / *Did you bring a smart phone or similar to the exam?*

Nej / *No*     Ja, men jag har stängt av den och placerat den på anvisad plats  
*Yes, but I have turned it off and placed it at the designated location* **Answer by checking the box**

Antal inlämnade blad / *Sheets handed in*  Ange anonymkod och personlig identifierare på samtliga inlämnade blad.  
*Write Anonymous Code and Personal Identifier on each sheet you hand in.*

**How many sheets are you handing in?**

Markera besvarade uppgifter med kryss i översta rutan / *Mark answered questions with X in top square*

1	2	3	4	5	6	7	8	9	10					Summa <i>Sum</i>	Betyg <i>Grade</i>
		X	X		X	X									

**-Mark the questions that you are handing in an answer to.**

**In our example the student has only handed in answers to questions 3, 4, 6 and 7.**

**-Use a new sheet for each question. Do not hand in answers to several questions on the same sheet.**

**-Write your anonymous code and personal identifier on all the sheets that you hand in.**

**Course Code KEM\_\_\_**

Kurskod / *Course Code (NNN###)*    Kursnamn / *Course Title*

**Course Title**

**The guard will check this box**

*Id check*

Vald personlig identifierare (eller namn) / *Chosen Personal Identifier (or name)*

**Write a chosen personal identifier. A word or sentence that you remember in case something goes wrong with the code.**

**Fill out the anonymous code that you receive from the guard when he/she checks your ID.  
WAIT for the guard before you fill it out. The code should be entered like this:**

Datum / *Date*

Y	Y	Y	Y	M	M	D	D
---	---	---	---	---	---	---	---

Anonymkod (eller person-nr) / *Anonymous Code (or personal ID)*

		X	X	X	#	#	#	#	N	N	N
		A	2	0	1	2	3	4	A	B	C
Y	Y	Y	Y	M	M	D	D	#	#	#	#

**This is ONLY an example! You will receive your personal code from the guard!**
